

HOT AIR BALLOON
HOPE VALLEY - FREE PAPER MODELS
<https://hopevalleyprintables.wordpress.com>

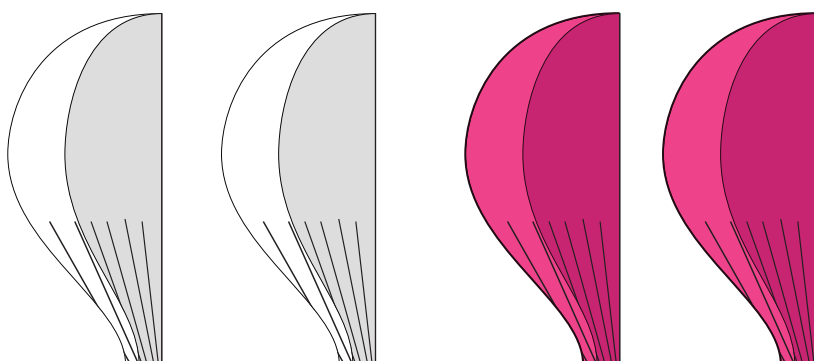

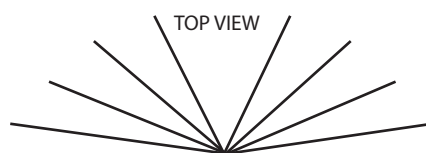

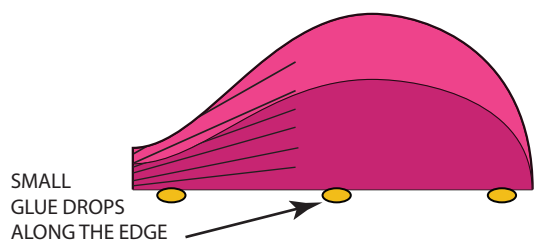

WHEN CALLS
— *the* —
HEART

Print 4 balloon forms: 2 on white paper, and 2 on red paper. You can also print all four on white paper, and color two of them with red wax crayon (color on both sides!)

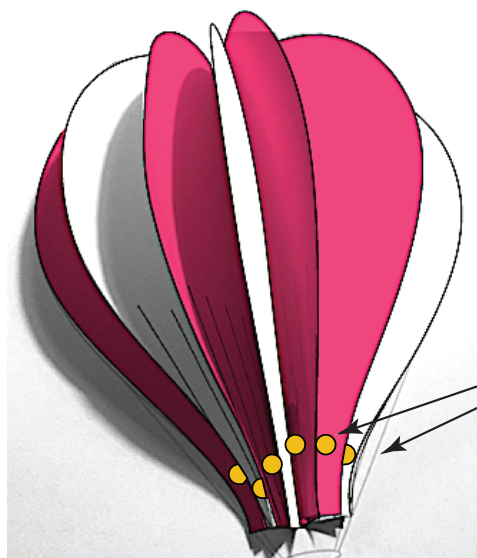

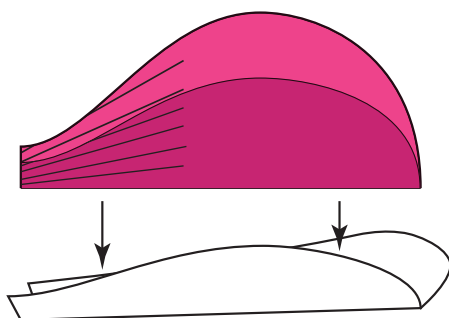

Fold in the middle.

Starting with a red piece, and alternating colors, glue them in the middle. Use small drops of school glue or a mini hot glue gun.

GLUE
IN THE
MIDDLE

Place a drop of glue (hot glue gun) between each fold, to keep the folds from closing together.

Glue the "hot air balloon" into the picture, as shown.
